

GOWNS for Girls

We are asking for your help with supporting; *Gowns for Girls 2020*.

My name is Constable Joylene MacNeil, in 2014, I learned that many young graduates will not attend their prom because their families couldn't afford to send them. For the last **SEVEN** years a Committee of Police volunteers have collected gowns, shoes & accessories allowing the outfitting of over 1400 young graduates.

I would like to share some of the positive comments we have heard over the years "I love this dress, I have never felt pretty before", "I look like a princess", "I will be just like everyone else at Prom now", are just some of the many examples of how we have made a difference and a positive impact in these young girls lives.

Our 7th annual event will be held on April 8th, 2020 at Bobby Orr Public School located at 7 Waterloo Street in Oshawa (3:30pm – 7:00 pm), we are reaching out to all Region of Durham graduates from grade 8 and 12.

We are hoping your organization sees the value in this program and would help us by making a donation of your companies product, gift cards, certificates for beauty treatments such as hair, nails etc, event door prizes or financial contributions. We acknowledge sponsors on a banner displayed at our event.

Please consider donating towards our 2020 event.

If you have any questions, I personally invite you to contact myself, **PC Joylene MacNeil 905-579-1520 ext. 5605** or **gownsforgirls@drps.ca**

For general enquiries, please email **gownsforgirls@drps.ca**

We thank you in advance for your consideration.
